

## Welcome to South University, Austin!

A close-knit college community with small class sizes, one-on-one support and personalized service from faculty and staff.

Here, in a city named one of the top places to live in the US and one where we've educated students for nearly a decade, you'll have diverse opportunities to meet and learn from local professionals as well as join volunteering events, student groups, professional organizations and more. With blended classes and virtual technology classrooms, we are dedicated to fostering your intellectual, social and professional development and helping you to pursue your goals.

### With You from Start to Finish

From today through graduation day, South University will make sure you always have the support you need.

- > **Admissions Representative:** Your Admissions Representative will assist you in finding the right program for your goals, understanding the admissions process and starting your South University application.
- > **Academic Counselor:** Your Academic Counselor will answer questions about your chosen degree program and work to ensure your academic experience is the best that it can be.
- > **Finance Counselor:** Your Finance Counselor will help you explore your options for funding your education and be your first point of contact regarding student finances. Financial aid is available to those who qualify.
- > **Program Director:** Your Program Director will guide you through your academic program and provide you with academic feedback as you progress in your studies.

Programs, credential levels, technology, and scheduling options vary by school and are subject to change. Not all programs are available to residents of all U.S. states. South University, Austin, 1220 West Louis Henna Blvd., Round Rock, TX 78681. © 2022 South University. All rights reserved.
